Renovations due to commence mid July

CONCEPT DRAWINGS ONLY

The plans are almost complete and it is expected that we will be asking builders to tender around about the end of May.

If all goes according to schedule construction should start mid July and be completed by the end of March 2011. Stephen Roach has done a terrific job and we will have a wonderful facility when it's complete. As part of our contribution towards the project costs we need to raise \$220,000 in direct donations and we have budgeted for \$80,000 of 'in kind' work.

So far we have received an amazing \$52,000 of 'in kind' contributions to date that include:

Architect fees: Stephen Roach
Project Management: Tom Kelly
Building Surveyor: Gary Dean
Mechanical services: Heath Middleton

We now are looking for others who may be able to assist either by doing some of the work or donating materials or time etc. Some of the opportunities would be:

- Demolition
- Painting
- Electrical Services
- Plumbing
- Plastering
- Tiling
- Carpeting
- Kitchen and bar fit out
- Joinery
- Appliances

If you are able to assist or you know of anyone else who might be prepared to help please contact:
