Brilliant weather helps us launch junior Cricket Season

What a brilliant start to the season. The weather was perfect on Friday evening and Saturday morning as our record 11 teams and Milo 'In2Cricket' players walked onto various ovals and launched our season.

Over 200 players were supported by many committed parents as Team Managers, Match Coaches, umpires, scorebook marshals, refreshment managers or importantly, positive encouragers. The sidelines were full of eager and proud parents.

It was impossible to miss the excitement that had built up over the preceding four weeks of diligent training. The sheer joy of our children playing with their mates and living hopes, dreams and heroics of our Summer game was clearly evident.

On top of all the fun, there were great battling performances by all of our teams as well as individual efforts that contributed to those teams successes. Our players have clearly benefitted from their weekday coaching and we hope to keep seeing their collective and individual confidence grow.

Special thanks go to a legion of parents that have voluntarily given up their time in the preceding 2 months to help organise the season. Enormous thanks to those parents who have agreed to help run teams, however they get involved it simply does not happen without your help.

The Club and all of the players owe you big thanks.

Here is to a great season! What a positive start
