## Senior Women's Football Coach

The South Melbourne District Amateur Football Club seeks applicants for the upcoming 2022 season and beyond.

We are seeking to recruit a coach that can display effective communication skills, be personable and have a good understanding of the game. These qualities will assist in helping us to build our club to continue to be the destination of choice for our region in Women's and Men's and Junior Football. We are based Albert Park Reserve adjacent to the Fraser St Light Rail stop.

The Senior Womens football team competes in the Victorian Amateur Football Association (VAFA) – in 2019 Womens Premier C. The club has been in existence for 109 years as a Football Club. This coming season will be the 5<sup>th</sup> season for our Senior Women's Football program. Our clubs Junior Football program is experiencing significant growth, with girls and boys participating in record numbers. We see this as a great pathway for the continued building and future of the club.

The Senior Women's Coach, will be someone who has demonstrated a willingness and capability to be able to build on and develop the squad, and to work together with the coaching team to build depth and talent to contribute to success in our Senior Women's team.

Requirements for applicants include:

- Must hold minimum entry level I coaching accreditation and pass a Victorian Working with Children Check.
- Strong communication skills.
- Ability to provide leadership and direction for players and team support roles.
- Demonstrate a willingness to develop and team leaders and all players in the squad.
- Demonstrated experience at building and maintaining relationships with club stakeholders including coordination, collaboration and shared values with the committee and Senior Men's Football coaching staff
- Maintain contact with all current players and immediate past players that will contribute to the success of the squad and engage them to be available for selection in matchday team.
- Together with the recruitment coordinator lead and proactively assist recruitment of players.
- Provide game day coaching to the Senior Women's team throughout the season.
- Attend Club functions and promote a collaborative whole of club culture amongst the playing group.
- Understand and appreciate the environment and requirements around the ethos of amateur football.

All applicants will be considered on their experience, merits and willingness. Applications and expressions of interest will be treated confidentially. Remuneration will be commensurate with candidate experience. For all enquiries, to express your interest please contact David Robertson [davidrobertson@smdsc.com.au](mailto:davidrobertson@smdsc.com.au).
